Notes	<ol style="list-style-type: none"> 1. A thesis/dissertation examination shall be attended by at least three examiners, and at least one-third of the attending examiners shall be external examiners. 2. The final score of the thesis/dissertation is an average of the scores provided anonymously by the attending examiners. A fail grade shall be granted if half or more of the attending examiners gave a fail grade. 3. A pass grade is a score of 70 or more. 4. If a thesis/dissertation examination is granted a pass grade, the result letter shall be submitted to the Registration Section of the Office of Academic Affairs within the timeframe specified in the university's Thesis/Dissertation Examination Rules. A soft-bound copy of the thesis/dissertation shall also be submitted to the Registration Section of the Office of Academic Affairs within the specified timeframe, at which time the student will be required to complete the necessary deregistration procedures.
