Notes:

1. If the thesis is determined to be irrelevant to the student's major, follow-up matters must be handled in accordance with the established procedures of each department, such as those for conducting advisor accountability reviews and thesis topic adjustments.
2. This checklist shall be submitted to and kept by the Registration Section of the Office of Academic Affairs before the end of the first semester of the student's sophomore year or one semester before the student's degree examination. A photocopy shall be kept by the department to which the student is affiliated.
